# EMMETT RYAN

## TENNIS & PICKLEBALL PRO

Born and raised in Massachusetts, Emmett Ryan was the first hire of PLAY Academy and has been with us since day one!

After spending most of his childhood playing all different types of sports, he began to focus on tennis and hockey and quickly found that because of his love for tennis, he wanted to play at the next level! After playing 4 years at the University of Scranton, Emmett took a break from tennis to venture out into the world of travel. He quickly found that his true passion had become the game of tennis and chose to pursue a career in teaching both tennis and pickleball full time.

When he isn't out on the court, Emmett loves ice skating, line dancing, and enjoying all of the outdoor activities Sunny South Florida has to offer!
