

ANGELINA EDEL

PICKLEBALL PRO

I have been an avid pickleball player for almost 2 years and discovered the game during the fourth of July in Alabama at my grandparents house. Came home and began my journey which led me to 5 Gold medals, 2x regional champion, and 2nd in the state for the Florida Pickleball League. I currently play at a 4.5-5.0 level with a vision of making appearances on the pro circuit. My true passion is coaching. I'm a Level 1 IPTPA certified pickleball instructor and getting the opportunity to give back to my home town with my teachings is the best part of what I do. My motto is "Form First" and with that we will learn this amazing game while having fun!
